#### Variations on a theme:

Use your imagination with this one. It can be used to scent an artificial Christmas Tree, or as a moth repellent in your winter storage closet. It could also, with a little firmer stuffing be used as a pin cushion

Experiment with different color combinations too! Work the center in brown, and use Trim Style 2, worked in yellow. Scent with "Sunflowers" perfume and use as a room freshener. Let me know your ideas for different ways to use this pattern - and have fun!
